

Workshops

Dear Customer,

We are now planning our annual workshops. This year we will be having only 1 workshop. The herbicide workshop will be postponed until next spring 2012. By demand both trimming workshops will be combined together into one workshop. All afternoon classes will be given in English.

All U.S. residents, please note that you require a passport in order to enter Canada and also to return to the U.S.

Enclosed is an order form with the details for you to register.

Please register before June 22nd 2011.

Highlights

- ◆ Introduction Workshop for herbicide application (postponed to next year)
- ◆ Workshop for basic trimming & workshop for advance trimming.

Workshops will be at the farm at 6196 North road, Hatley
